DHCP Statistics

Product: Antikor v2 - Next Generation Firewall
Guides

DHCP Statistics

The statistics of the LAN and VLANs where DHCP is turned on are listed. In the statistics, the number of in-pool and out-of-pool reserves, the number of in-pool and out-of-pool reserve rents, the number of unreserved rents, the number of total in-pool rents, the number of pool capacity and the totals are given.

DHCP Statistics
